Join NBC News Daily Anchor and Chief Consumer Investigative Correspondent Vicky Nguyen as she shares the inspiration behind her debut memoir, *Boat Baby*, and insights on leadership and resilience. Aiming to raise crucial funds and awareness for the San José Public Library, this event brings together an adult (21+) audience, including elected officials and executives from Silicon Valley. Last year, we welcomed 250 attendees, over 10 state and local officials, and 25 leaders from major Bay Area companies. Due to high demand, tickets sold out weeks before the event!
